When you reach the main arrivals area, on level 2, please follow the green 'Shuttle Bus' signs on the floor which will guide you to Level 1. You will need to take an escalator, travelator or lift. Our shuttle bus station is located opposite to Gate 5, which is just to the left of the bridge connecting the terminal to the Airport Express Link station. The bus stop is on the second road, i.e. behind the public shuttle buses, so it might therefore not be immediately visible.

### On departure

You will be dropped off at our shuttle bus station where is located on the 1st floor, opposite of Gate 5, which is just to the left of the bridge connecting the terminal 3 to the Airport Express Link station.
